

The Sobolev Institute of Mathematics of the Siberian Branch of the Russian Academy of Sciences jointly with Novosibirsk State University and the Department of Industry, Innovations and Entrepreneurship of the Mayor's Office of Novosibirsk are organizing the International Conference "Mathematics and its Applications" in honor of the 90th birthday of Sergei K. Godunov. The conference will be held in Novosibirsk, August 4-10, 2019.

Program

The range of topics that are within the scope of the conference includes (but is not limited to): differential and difference equations, partial differential equations, equations of mathematical physics, mathematical modeling, difference schemes, computational methods of linear algebra, mathematical problems in continuum mechanics.

The scientific program of the conference will include invited lectures (30 minutes), short communications (20 minutes including questions) and posters.

The Opening Ceremony of the conference will be held on **August 5 at 09.30** in the Large Hall of the House of Scientists SB RAS. All sessions on August 5 will be held in the Large Hall of the House of Scientists. In the evening from 19.20 to 21.30 at the lobby of the Large Hall it will be held the Welcome Reception.

On August 6-9 the sessions will be held in the Classroom Building #1 of Novosibirsk State University (see map https://english.nsu.ru/about_NSU/maps/Uchebniy-korpus-n1/2806365/) (before lunch) and in the Sobolev Institute of Mathematics (after lunch).

The detailed program of the conference can be found at
<http://www.math.nsc.ru/conference/gsk/90/en/Program.htm>

For oral talks it will be offered a laptop and a multimedia projector. In each auditory, where will be the section talks, a blackboard, chalk and markers are available. In each section there will have a secretary who will help the participants with the presentation.

When preparing a poster presentation, please follow the recommendations. The size of the poster board for each poster will be 60 cm wide and 90 cm high (nine A4 pages). You can use sheets of different sizes (A1-A4). The poster should be clearly legible from a distance of 1.5 meters. At the top of the poster the title, author(s) and affiliation(s) should be printed.

Your poster should be on display on the 3rd floor of the Sobolev Institute of Mathematics on August 6. Please put up your poster until 14.30. Fastening material will be available in the library. You should remain with your poster on August 6 from 18.30 to 20.00. Posters must be dismantled by the end of your presenting day.

Starting from the second day of the conference, the program will be corrected according to the list of registered participants. Updated program will be posted on the conference website, on information boards in the lobby of the Sobolev Institute of Mathematics and on information boards on the fourth floor (block 2) in the Classroom Building #1 of Novosibirsk State University.
