

Mal'tsev Meeting 2009

The international conference on algebra, mathematical logic, and applications will be held in Novosibirsk (Russia) on August 24–28, 2009. This conference is dedicated to the 100th anniversary of Anatoliĭ Ivanovich Mal'tsev (1909–1967).

The *organisers* of the conference are Sobolev Institute of Mathematics and Novosibirsk State University.

The topics of the conference include group theory, ring theory, universal algebra, mathematical logic, computability theory, theoretical computer science, and related areas of mathematics.

The *programme committee* includes

Yu. Ershov (chairman)	I. Mal'tsev
S. Adian	Yu. Matiyasevich
K. Ambos-Spies	V. Mazurov
M. Arslanov	A. Mikhalev
S. Badaev	A. Morozov
L. Beklemishev	A. Nerode
L. Bokut'	H. Ono
S. B. Cooper	E. Palyutin
S. Goncharov (vice-chairman)	B. Plotkin
O. Kegel	A. Prestel
V. Kharchenko	K. Samokhvalov
B. Khoussainov	H. Schwichtenberg
J. Knight	L. Shemetkov
V. Latyshev	I. Shestakov
I. Lavrov	L. Shevrin
S. Lempp	R. Soare
A. Macintyre	M. Taĭtslin
A. Makhnev	V. Tselishchev
L. Maksimova	U. Umirbaev
An. Mal'tsev	A. Yakovlev
Ar. Mal'tsev	E. Zelmanov

The *programme* of the conference will consist of 30-minute and 50-minute invited lectures and 15-minute contributed talks at the following sections:

- group theory
- universal algebra
- computability theory
- philosophy of mathematics
- computable models, topological spaces, and analysis
- ring theory
- model theory
- non-classical logics and proof theory
- theoretical computer science

Abstracts of talks will be published (we will inform you later how to prepare and submit your abstract).

The events of the conference will take place in Sobolev Institute of Mathematics. Accommodation for participants will be available at the hotel of the Siberian Branch of the Russian Academy of Sciences.

Important dates:

- registration starts on July 1, 2008
- deadline for submission of abstracts is April 24, 2009
- confirmations of acceptance/rejection of abstracts will be sent before May 15, 2009
- deadline for applications for visa is June 1, 2009
- deadline for accommodation orders is July 23, 2009
- arrival day is August 23, 2009
- working days of the conference are August 24–28, 2009
- departure day is August 29, 2009

If you have questions concerning participation in the meeting, please, do not hesitate to contact the organisers
